

Ethos & Values

Schools in the Willow Learning Trust work together in a spirit of partnership and collaboration to promote development and improvement and to raise standards.

All Willow Learning Trust schools promote traditional values of courtesy, self-discipline and respect and compassion for others. Each school is comprehensive and inclusive and has a strong pastoral system characterised by high expectations of behaviour, attitudes and achievement where pupils are known, cared for and supported as individuals, learn to behave with respect for all other members of the school and external community and show courtesy and good manners.

Ensuring excellent opportunities for our pupils is integral to schools in the Willow Learning Trust; each school provides a rich variety of opportunities for academic, artistic and sporting excellence and the taught curriculum is complemented by extra-curricular activities and enrichment to foster a spirit of aspiration, enjoyment and resilience.
