The Information Commissioner (formerly the Data Protection Registrar) recommends that young people aged over 11 years old have the opportunity to decide their own ethnic identity. Parents or those with parental responsibility are asked to support or advise those children aged over 11 in making this decision, wherever necessary. Students aged 16 or over can make this decision for themselves.

Please study the list below and tick **one box** only to indicate the ethnic background of the pupil. Please also tick whether the form was filled in by a parent, carer or the pupil.
