Art & DT	Andy Goldsworthy Year 1 will think about the colours, materials and shapes Goldsworthy uses in his art work. They will explore his walls, paths, circles, spirals and reflections, and use them as inspiration for their own creations!	Eat more fruit and vegetables ECO LINK The children will explore a variety of fruits and vegetables – what they look like, taste like and feel like. They will also practise preparing fruits learning to cut, grate, peel etc.	Colour Creations! The children will think about their favourite colours and the colours that are all around them every day, before looking at how colours are used in art. They will find out about primary colours and how to mix them to create secondary colours, as well as look at the artwork of artists who use colours in interesting ways.	Playgrounds The children will get to explore different types of playground equipment, how they move and what they are made of. They will have the chance to make their very own models of playground equipment.	Self-Portraits The class will get the chance to explore the portraits and self-portraits of a variety of artists by thinking about what the artist is trying to convey about the subject, as well as the techniques that have been used. They will also create self-portraits using a variety of different techniques and media.	Which parts of your picture should move? The children will think of inventive ways to bring their pictures to life. They will explore sliders, levers, pivots and wheel mechanisms.
