

2023 - 2024

# **EXTRA-CURRICULAR ACTIVITIES**

**SUMMER TERM**

## **Extra Curricular Clubs week commencing 22 April 2024**

We are delighted to be able to offer a wide variety of extra curricular clubs for our children, both during the day and after school. Some of our clubs are run by external people and others by our staff who give freely of their lunchtime. For those clubs run by staff afterschool we charge a small fee of just £4 per session.

We strive to offer our clubs at Abbey at affordable prices and as such demand can be quite high. To ensure that you secure a place, we would encourage you to book them as and when they become available to pay for on ParentPay.

Some clubs are paid for via Arbor, for which all parents have a login. If you are unable to access this then do please call the school office who will be happy to assist you.

Alternatively, Community Advantages have been one of Abbey Primary's club providers for many years. Their clubs educate children on the importance of being part of a team, being a good sports person, playing fairly, truthfully, in the right spirit and of positive communication with all other participants.

If you wish to join one of the clubs run by Community Advantages then you will need to contact them directly. Their flyer is at the end of the handbook.

At Abbey, we offer a fixed number of free spaces to support our Pupil Premium children. Please contact the school office as soon as possible if you are interested in a pupil premium place.

# FREE CLUBS

Register for these clubs on Arbor now!

1
